

LIFE SPACE CRISIS INTERVENTION—CERTIFICATION COURSE

FREE FOR CAPE MAY COUNTY EDUCATORS

Life Space Crisis Intervention (LSCI) is a brain based, trauma informed, relationship-building verbal strategy that helps adults turn problem situations into learning opportunities for young people who exhibit challenging behaviors in schools and communities. LSCI is centered on the core belief that behavioral changes for our most difficult children and youth start with the adults.

A **FREE** four-day in-person 30 hour course.

Who should attend: An individual(s) from a building or district that is responsible for assisting with behavioral or emotional support. This is not designed to be implemented in a classroom setting.

Please see additional information on who should attend, course description, etc., by visiting the registration link below. The training has a class size limit. Please register early to reserve a spot.
