

TRAUMA RESPONSIVE CLASSROOM LEADERSHIP & MANAGEMENT

This **FREE** 2-day seminar is designed for classroom teachers and school administrators.

This seminar is designed to enhance teachers' abilities to create trauma responsive classroom environments that are brain aligned, trauma informed and good for ALL kids. During these 2 days, we will learn how to build a classroom leadership and management system from the ground up to create positive outcomes for your students.

It is highly recommended that administrators of teachers taking this class also attend as the focus of the 2 days will be to develop a comprehensive classroom and school system that is aligned to the current knowledge of best practices in the field of trauma responsive education.
