Trees of Hope

THURSDAY, DECEMBER 3, 2026 | 5:30PM

CAPE ASSIST | 3819 NEW JERSEY AVENUE, WILDWOOD, NJ 08260

Annual Tree Dedication & Lighting Ceremony

The Trees of Hope provides a physical representation of hope for those struggling with and recovering from addiction. These beautiful tree display includes ornaments dedicated to honor or memorialize a loved one. The ornaments and trees serve as symbols of hope for those who have been touched by addiction, those striving for a better tomorrow – for themselves, their families, and their community – and are a shining remembrance of those who are no longer with us. The event will take place outside of the Cape Assist parking lot on December 3rd, and will include a brief 30-minute tree lighting ceremony that will begin at 5:30pm.

The decorated trees will be displayed throughout December at Cape Assist. Ornaments will be available for pick-up after the New Year. To dedicate an ornament and/or tree, please complete the order form on the reverse side or visit the link below to view item availability or to purchase items online. For any questions, email events@capeassist.org or call (609) 522-5960.
